

Left Emerge (T Junction)

- When deciding if it is safe to pull out at a junction you should use the LADA routine, what do these letters stand for?
- Why is it important to stop at a “Stop” line?
- Why should you follow the kerb round when turning left?
- How should you position your vehicle if you have a very sharp kerb/corner?
- Why should you always look both ways when emerging to the left?
- Which gear are you usually in when emerging from a junction?
- What factors could affect your choice of gear?
