

## Speed Questions

- If there are no other signs how can you tell what is the speed limit?
- What do the “National Speed Limit” signs mean?
- When should you reduce your speed?
- Why is it not always safe to drive at the speed limit?
- Why could it be dangerous to drive too slowly?
- Why should you not speed up and slow down in a road with speed humps?
- Why should you be particularly careful about your speed after travelling on a dual carriageway?
